Reading: Fill in the Blanks (FIB-R – Drag and Drop)

Strategy/Approach (Tarika):

- **Skim the passage with blanks (Khali thau bhayeko passage-lai pahile chhitoma padhnuhos):** Passage-ko overall context (sandarbha) ra topic (bishay) k ho, tyo bujhnuhos..
- **Analyze words around each blank (Har blank-ko agadi-pachadi-ko shabda-haru dhyanle hernus):** Blank-ko agadi ra pachadi-ko shabda-haru-le grammatical clues (jastai article 'a/an/the', prepositions, verb tense, singular/plural noun) ra contextual clues (arthagat sanket) dinchha.
- **Consider the meaning of the words provided (Option-ma diyeko shabda-haru-ko artha (meaning) bujhnuhos).**
- **Match grammatical fit (Chhaneko shabda grammatically fit hunchha ki nai, check garnuhos):** Tapai-le chhaneko shabda blank-ma व्याकरणिक (grammatically) rup-le fit hunuparcha (jastai, blank-lai noun chahiyeko chha ki verb ki adjective).
- **Match contextual fit (collocations and meaning) (Chhaneko shabda-le sentence ra paragraph-ko artha-ma mel khanchha ki nai, hernus):** Shabda-le sentence-ko artha-lai complete ra logical banaउनुपर्छ. Collocations (kun shabda sanga kun shabda naturally janchha) pani dhyan dinuhos.
- **Use process of elimination (Sure nabhaye, namilne shabda-haru-lai hataunuhos):** Yedi kunai blank-ma kun shabda rakhne bhanera sure hunuhunna bhane, jun shabda-haru ekdamai mildaina, tinlai pahile list-bata hataunuhos.

There will be extra words not used (Diyeko list-ma kehi shabda-haru extra hunchhan, jun prayog hudaina).
